**What ever happened to spring!?** The Alfresco Tap is now up & running. Rob's global menu has gone down a storm & Jane's front of house has seen you all happy & returning each week. We're going to need more seats soon! We've had two major events, the Alresford Watercress Festival & Odiham's Bands in the Bury, following the washout last year, we were blessed with wall to wall sunshine. Early June saw us celebrating Open Farm Sunday at the Hampton Estate where our Fuggles hops are grown. We were very proud when HRH Duchess of Edinburgh gave our Royal Corgi her seal of approval!
