

LONG DOG BREWERY

BREWED IN BASINGSTOKE

Nov/Dec 2023

SEASONAL SPECIAL ALERT!!!!

Firstly, we would like to say a **Big Thank You** to all of you for your support in 2023! We can't believe how fast this year has gone! So fast in fact, that the keen eyed among you will have noticed we missed a newsletter in October, we just ran out of time!

Over the past few months we've really enjoyed being part of the local community from supporting local events, to farmers markets and festivals. We've tried to donate to as many of your raffles and good causes as possible and we've welcomed a fair few of you into the Brewery Tap. It's been wonderful to see people sharing a meal and enjoying a pint at our tap evenings this summer.

Now the **Festive Season** is just around the corner! Rod has brewed the Ruddy Elf, a Ruby Mild this year, with a hint of cinnamon and for those who like the dark ones, look out for Black Crow, back on the shelves for November. This is a strong, dark mild/winter warmer. We're also launching a new Real Ale Chutney to boost the collection. When next you pop into the tap for a sneaky tippie, you can choose all your local goodies in one go from beer and chutney to gin and cider. Can't get to the brewery? Remember you can order on line and we can deliver to your door or catch us at one of our local events.
